

The following chart is a guideline to choosing which tent you need for your event. In addition to the number of guest that you will be having, you must also consider factors such as:

- Will you have a dance floor in your tent?
- How many serving/food tables will you have in your tent?
- Will you have a bar?
- Will you have a D.J. in your tent?
- Do you have a specific or custom table layout in mind?
- If your ceremony is taking place in the tent, how big of an area will your ceremony require?
- Will there be a stage.

Our event specialist are highly trained and experienced in helping you make the decision for the appropriate tent to accommodate your needs. If your guest count is larger than what is listed please give us a call, as we have larger tents not listed.
